We will also be providing dinner at school for all families. Students will be making soup for you all to enjoy. Please can you let the school know if you are able to attend.

Foundation Students for 2019

We are asking for your assistance, in recommending our school to any families looking at changing schools or any families with kinder children. Small rural schools can offer so much for children who may not always cope with larger schools. If you know of any families, please encourage them to come into the school for a chat and visit.
