DEFINITIONS

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Broken Creek Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Broken Creek Primary School:

Personal mobile phone use

In accordance with the Department's Mobile Phones – Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Broken Creek Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Broken Creek Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Broken Creek Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Broken Creek Primary School's Personal Property Policy.

Where students bring a mobile phone to school, Broken Creek Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Broken Creek Primary School students are required to store their phones by handing them to the Principal to be placed in a lockable cupboard.
